Regular American beauties, equal to the rose, which beats the world for its beauty.

18 colorings of the most attractive kinds-the cloth has that soft, velvety touch which gives quality at a glance—the patterns are exclusive, not gaudy, and yet attractive-it may seem folly to make such a large purchase of these goods at this time, but a good investment like this knows no season-many of the styles can be worn all through the winter-others, again, can be worn for immediate use, and yet those that buy for the anticipated future will never go astray by buying a pattern for next season, as they are the forerunners 59c.

THE WORLD OF SOCIETY missioners to Mr. C. H. White, declining to remove the tree in question, some one un-known to me has had the same shamefully mutilated, four or five of its best branche mutilated, four or five of its best branches having been hacked off a foot or more from the trunk, leaving the same in a very unsightly condition. I recommend that the police department be requested to ascertain who ordered this trimming, and that the guilty party be prosecuted for the same. I also recommend that Mr. White be requested to remove without delay the bricks, mortar, stone, etc., now piled about the roots of the tree."

twenty-fifth year of his pontificate. While twenty-fifth year of his ponulficate. While there have been no definite advices to this effect it is thought likely that this assembly will open the jubilee to signalize the closing of the quarter century of Pope Leo's regime, and that he will take advantage of it to deliver an allocation, taking a strong position on the question of assassination among other things. Cardinal ing a strong position on the question of assassination among other things. Cardinal Martinelli will remain in office here until about time for the consistory. No authoritative word has yet reached here regarding the successorship. In view of his past experience it is quite likely that Cardinal Martinelli will be assigned in Rome to the congregations of the holy office known as "the inquisition," which watches the morals and discipline of the church, and the propaganda, which deals with the propagation of the faith.

to show cause why petitions filed today by the Western Industrial Association and Samuel J. Masters, through Attorney E. L. Gles, should not be granted. The Western Industrial Association asks that the receivers be directed to pay it \$41.01, and Mr. Masters that they pay him \$381.28 out of any assets of the bank in their hands.

The association explains that the amount due it was a special deposit placed to meet outstanding checks, while Mr. Masters says the amount he mentions is due him on notes deposited for collection.
